

## New Website: <http://nyconn.org>

I'm happy to report that I had two responses to my plea for a webmaster, Ed Flax and Blair Weiss. Blair really got the ball rolling by whipping up a mock site and getting us all thinking about what we wanted in a website. Ed, who has volunteered to be the club's webmaster, has since grabbed the ball and run with it.

My thanks to Blair whose help in the planning stages was considerable. And my continuing thanks to Ed who continues to develop the site. Although still under construction, the site is officially open and looking really good! Check it out! If you have photos or other materials that you would like to see on the web, please forward it to either Ed or me.

### Shelter Island Tour June 19 and/or 20, 2004

**RSVP to Ann DiRenno ASAP**

Ann reports that she has heard from very few members regarding the tour of the beautiful Shelter Island area and visit to their lovely abode on the Island. Please let her know whether or not you will be able to attend so that she can make the appropriate arrangements. Also, if you'll be staying over on Saturday night, you'll need to make your reservations. You can check out what's available on the island at [www.shelter-island.net](http://www.shelter-island.net). There are lots of activity and menu possibilities so please contact her as soon as you can with your plans for this weekend.

### Gearbox Tech Session May 9, 2004, 1 to 4PM

So far I've only heard from one person (and I don't remember who that was). If you're planning to attend (even if you've already told me once), please let me know. If we don't get a meaningful turnout for this event, I will cancel it. For more details, check the last issue of the NY/Conn News, available on line at our new website: <http://nyconn.org>.

The sun's shining, it's in the 70's and it's time for me to get outside and crank up the MG.

**B**y now everyone has had time to loose the pounds they may have put on at Raymond's Sweetheart Sundae. So it's time to loosen the belt and once again overindulge in the gastronomic delights being served up during the three-stop feasts being proffered by our gracious hosts, Ed & Marion Callo, Jan & Sandy Hurd and Kurt and Valerie Mesedahl.

Plan on arriving at Callo's after 10:30AM for appetizers. The MG caravan will leave Callo's in time to arrive at Hurd's somewhere in the vicinity of 1:00PM for the main course of the day. Next stop for desserts is at Mesedahl's at about 3:30 to 4:00PM. If you can't make all three stops, plan to join in somewhere along the way.

RSVP is a must by Tue. April 27 to Sandy Hurd at (203) 438-2796, or e-mail at [sanjan-hurd@sbcglobal.net](mailto:sanjan-hurd@sbcglobal.net). Let her know if you can bring appetizers, salads, side dishes, or desserts.
