

Wheels For Warriors

Sunday, July 27, 2008

12 Noon to 4 PM

Registration & Start (12 - 2 PM): Southbury Training School, South Britain, CT
(Exit 14, I 84, Proceed north on Rt 172 through the Village of South Britain to parking lot on right across from STS)

Ends at Pulaski Farm, Cutlers Farm Road, Monroe, CT

An afternoon of cruising in our MGs with good friends is a great way to spend the day. Combine that with the opportunity to help raise funds to provide a handicap van for one of our disabled veterans and you'll be hard pressed to find a better way to spend a Sunday afternoon.

But wait . . . Don't answer yet . . . There's more

Waiting for us at the end of our approximately 25 mile tour will be a car display - facilities for 200 cars (No judging or prizes, this is a social event). Hot dogs and soda will be served up by the Monroe American Legion helped by the Boy Scouts. As if that wasn't enough, **John Esposito of Quantum Mechanics, Ltd.** will be putting on one of his famous tech sessions and answering questions on MG transmissions. John is the acknowledged master of MG transmissions and has rebuilt trannies for clients across the country and abroad. **Len Fanelli** will be displaying and discussing his outstanding roller cam kits for T series MGs.

Ed Callo is the NY/Conn contact for this event and he would appreciate help in registering people at Southbury Training School. He'll also need some tour guides to help get folks from here to there.

If you can help out, please contact Ed at 203-261-2432 or ReconEdCallo@aol.com
Please email Ed and let him know how many in your group will come so that they can have sufficient food on hand.

Suggested donation is \$20 for car and driver plus \$5 for additional passengers. Those who can't make the tour and may want to help can mail a check made out to "Wheels For Warriors" to Ed Callo, 48 Crestwood Road, Monroe, Connecticut 06468

Should be a fun day for a good cause!

The NY/Conn Chapter has volunteered to host the Fall 2009 Gathering Of the Faithful semi-annual meeting of the New England MG 'T' Register. After various site evaluations, we decided to center our activities around the Poughkeepsie area due to the numerous attractions and scenic country available along the Hudson River Valley (introduced to many of us through our "Culture in the Country" events - thanks Judy & Patricia!).

We've had a fairly good turn-out at our preliminary planning sessions but to make this event a success we will need the full support and help of all NY/Conn members. Please try to attend the July session and be sure to RSVP so the McNamara's can plan refreshments.

If you cannot attend this meeting but would like to volunteer to help on a committee please contact:
