Can you believe that it's time for the Bocce tournament already. It seems like summer just started and already I've seen hints of leaves changing colors. Just to show you how time flies, the plaque for our Bocce champions is still at the engravers following last year's event. We'll try to get it picked up in time to present to this years champions.

As usual, the green will be groomed and ready to roll so be sure you are. Please RSVP as soon as possible, but by the 10th latest. Let Tuck or Lin know what you can bring in the way of snacks, salad, dessert or whatever.

Gathering Of the Faithful MK 86

Fall, 2009

We had lots of enthusiastic support for NY/Conn's efforts to host the Fall 2009 Gathering Of the Faithful of the New England MG 'T' Register. Thanks to all who put much work and effort into narrowing down a particular area that offered what we thought was a great combination of attractions, scenic country roads and appropriate accommodations.

Unfortunately, NEMGTR and our first choice host hotel were unable to come to agreeable terms. Our alternate choices turned out to be too expensive or unable to accommodate the anticipated crowd that the GOF attracts. With a lack of other viable alternatives immediately available we felt it better to abandon the effort while there was still some time for another group to put together a meaningful GOF.

While our efforts to organize a GOF didn't come to fruition, we still feel the Poughkeepsie area has a lot to offer and would make an excellent area for a special NY/Conn Chapter weekend event. We

decided to center our activities around the Poughkeepsie area due to the numerous attractions and scenic country available along the Hudson River Valley (introduced to many of us through our "Culture in the Country" events - thanks Judy & Patricia!). As many times as we've ventured into this area, we've barely scratched the surface of the rich offerings along the river valley.

If there is enough interest in a NY/Conn group weekend centered around the many attractions of the Poughkeepsie area, we'll try to put something together for next year. This would be a no-pressure event centered on exploring the best the area has to offer in the way of attractions, food and good friends. Maybe a fall weekend would be best so we can enjoy the foliage as well. Send me your thoughts and comments and we'll see what develops.

Thanks,
Charley
