

**For Sale—'66 MGB**

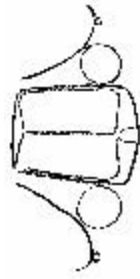

**1966 MGB Tourer**, chrome bumper, professional frame up restoration—updated two winters ago. 4-speed/synchro/OD gearbox. Radio, wire wheels, luggage rack, new chrome. BRG, black/white interior. One of the finest running, best looking MGB's you'll find. Always garaged. \$9,995. Call Dave at 203-438-6865 (CT) or email: Sebecassoc@aol.com.

Dave says, "I wouldn't hesitate to drive it to CA tomorrow, change the oil and then drive it home again."

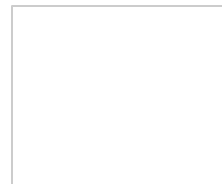

I'm looking for an unmolested TC that I can drive. It doesn't need to be concours, but I'm not interested in a rust bucket either. Willing to pay a fair price for something half-way decent. If you have or know of such a TC, please contact Bob Faria at rfaria42@aol.com or 1-800-226-6434

**W**elcome to the 18th Thumbs-up Rallye (can you believe we've aged this much?) on Sunday, May 21, hoping for great weather!

We'll meet as we have traditionally: at 11:00 am at the Bedford Village Green. The tour will be one which won't tax you or your co-driver, nor the "T" car (though it might any modern car).

Hoping you will have built up an appetite for grilled meat and other goodies, we'll enjoy those in the atrium at Cookie & John Friedler's home (605 Guard Hill Rd., Bedford, NY, 10506). If you're on a diet (and even if you're not) you can jump in the pool to work off extra calories, energy, sore feet, sensitive rumps, or hot bodies...

If you care to share some sweets, they will be most welcome. Grapes and berries are always a winning popular item.

Most importantly, bring yourselves, in good mettle, health and sense of humor, and, again, you're most welcome. **BUT PLEASE LET US KNOW WHO IS COMING by FRIDAY, MAY 19** (for food tally), at 914 234-6553 or 914 584 3948

If you need directions, ask John when you RSVP.
